

# Agenda

## Simcenter 3D Workshop

- 8 a.m. *Welcome and coffee*
- 8:30 a.m. **Simcenter 3D Structures**
- Navigation
  - Meshing from CAD
  - General structural workflows
  - Post processing
  - Tips and tricks
- 10 a.m. *Break*
- 10:30 a.m. **Simcenter 3D Motion**
- Rigid body mechanism authoring
  - Flex body
  - Mechanatronics integration
  - Post processing
  - Tips and tricks
- Noon *Lunch*
- 1 p.m. **Simcenter 3D Acoustics**
- Finite element based acoustics
  - Boundary element based acoustics
  - Post processing
  - Tips and tricks
- 2:30 p.m. *End*
